## INFORMATION & APPLICATION

---

### WHAT IS PLACERGROWN?

PlacerGROWN is a countywide non-profit marketing program formed to assist local agricultural producers market their products. The goal is to bring communities and people together for the support and growth of agriculture in Placer County.

### WHAT ARE THE GOALS?

The following are some objectives of the PlacerGROWN program:

Develop expanded demand for locally grown and locally produced food and wine.

Create and enhance a more sustainable community.

Enhance and increase economic development and stability in Placer County.

Give consumers access to fresh, local produce meats and value-added products direct from the farmer.

Create interest in and organize educational and agriculture events & festivals.

Maintain and expand the [placergrown.org](http://placergrown.org) website.

### WHAT ARE THE BENEFITS?

Direct access and connection to the Placer County community of local produce, meat and food producers.

A detailed listing in the Placer County Agricultural Guide and on the [placergrown.org](http://placergrown.org) website for producer and business members.

A 12x12 PlacerGROWN logo sign for producer members.

Quarterly newsletters filled with useful information for local producers & community members.

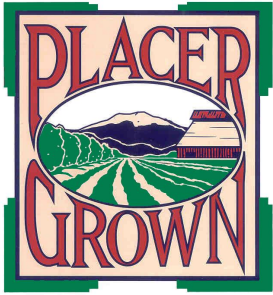

Opportunity to participate in PlacerGROWN sponsored farm tours, farm stays and other seasonal festivals and events.

Access to information on how to host farm stays and other consumer/farmer opportunities within Placer County.

Discount tickets to PlacerGROWN-sponsored events and the PlacerGROWN Food & Farm Conference.

Networking opportunities for business and producer members.

*PlacerGROWN is a 501(c) 3 non-profit organization so your membership is tax deductible!*
